

Golden Crest Nursing Centre earns prestigious MyInnerview Award 2016

My InnerView by
NATIONAL RESEARCH
Corporation

We are proud to announce that Golden Crest Nursing Centre has received the prestigious *Excellence in Action* award from My InnerView by National Research Corporation. This honor recognizes post-acute care facilities that achieve overall resident or employee satisfaction scores within the top 10 percent of the My InnerView product database. The database is the largest source of long term care and senior living satisfaction metrics in the nation. Congratulations to all our staff members!!
